REMARKS

The specification has been amended to include prior application data and to introduce headings, per United States practice. Original claims 1-9 have been amended to eliminate multiple dependencies, and to conform to United States practice. These amendments add no new matter.

In view of the above amendments and remarks, it is submitted that the application is in condition for allowance. Applicants assert that the present invention is new, non-obvious and useful. Prompt notice of allowance is respectfully requested.

No fees are believed to be due in connection with this paper. However, if any fees are due, please charge any such fees associated with this paper to deposit account No. 50-3355.

Respectfully submitted,
